**Tapas comes from Spain which means an appetiser or snack, but with time tapas have evolved into an entire sophisticated cuisine.**

People nowadays order different tapas and combine them to make a full meal. In common man's language tapas are actually small portions of food which gives people an option to try different things. Tapas are also very good for sharing. Tapas is equally deal as a quick lunch or lingering dinner, where you can almost think of it as ever evolving buffet brought to your own table.
